Mr Abrams,

The UCC supports the relief requested by the Debtors. Consequently, we will oppose any motion for reconsideration.

Mr. Bice, Mr. Bray and Ms. Dexter -

I have attached my motion for reconsideration and relief from the Order regarding the registration rights agreement and related agreements of the fire victim trust that was filed today [Dkt. 7974]. Please, let me know if the Official Committee of Unsecured Creditors would be willing to discuss these concerns and potentially file a joinder in support of my motion. Additionally, I would appreciate the UCCs' support of a timeline to ensure that this motion is heard at the next hearing time given the time sensitive nature of this matter. Please, let me know as soon as possible.

Thanks,

Will Abrams
